Hi Kim and Rick,

I haven't heard from Tom Tilden yet and have been unable to reach him. Do you know if the meeting is on for next week? I will be out tomorrow so would like to find out today so I can cancel reservations if necessary. Tomorrow I can be reached at 206-331-2547. Thanks

Rick and Rich,
I talked with Tom Tilden who mentioned he was going to call you both regarding scheduling the meeting during BBNC Village Leadership meeting in Anchorage. I hope he called you both today. I am traveling and out of the office and available via cell phone [Personal Phone / Ex. 6]

Kim
